

Articles

1. Clinical

Assessment

- Active and passive shoulder range of motion in healthy older people – Lynette McIntosh, Kryss McKenna, Louise Gustafsson, (7) 318
- Assessment of bathing in occupational therapy – Hilary Gooch, (9) 402
- Assessment of stimulus preferences in multisensory environment therapy for older people with dementia – Jason A Staal, Lesley Pinkney, David M Roane, (12) 542
- Clinical audit of the outcome of occupational therapy assessment and negotiated patient goals in the acute setting, A – Amanda Welch, Susan Forster, (8) 363
- Cognitive impairment in amyotrophic lateral sclerosis: a consideration for occupational performance – Geraldine Foley, Fiona Neely, (9) 414
- Development and evaluation of the Mayers' Lifestyle Questionnaire (2), The – Christine A Mayers, (9) 388
- Dressing after a stroke: a survey of current occupational therapy practice – Christina M Walker, Marion F Walker, Alan Sunderland, (6) 263
- Motor-Free Visual Perception Test – Revised: an overview and critique – G Ted Brown, Sylvia Rodger, Aileen Davis, (4) 159
- Occupational therapy assessment of self-awareness following traumatic brain injury – Melina Simmond, Jennifer M Fleming, (10) 447

Adult Physical

- Active and passive shoulder range of motion in healthy older people – Lynette McIntosh, Kryss McKenna, Louise Gustafsson, (7) 318
- Assessment of bathing in occupational therapy – Hilary Gooch, (9) 402
- Can patients with unilateral neglect following stroke drive electrically powered wheelchairs? – Jill Dawson, Heather Thornton, (11) 496
- Chronic pain: gaining understanding through the use of art – Diane Henare, Clare Hocking, Liz Smythe, (11) 511
- Clinical audit of the outcome of occupational therapy assessment and negotiated patient goals in the acute setting, A – Amanda Welch, Susan Forster, (8) 363
- Cognitive impairment in amyotrophic lateral sclerosis: a consideration for occupational performance – Geraldine Foley, Fiona Neely, (9) 414
- Consulting service users: the Stroke Association home therapy project – Louise Gilbertson, Sally Ainge, Rachel Dyer, Gale Platts, (6) 255
- Delphi survey of best practice occupational therapy for Parkinson's disease in the United Kingdom, A – KHO Deane, C Ellis-Hill, K Dekker, P Davies, CE Clarke, (6) 247
- Dressing after a stroke: a survey of current occupational therapy practice – Christina M Walker, Marion F Walker, Alan Sunderland, (6) 263
- Home adaptations: user perspectives on the role of professionals – Clare Picking, Helen Pain, (1) 2
- Improvement in activities of daily living using the Freehand: a system designed for people with tetraplegia – Julie Esnouf, Paul Taylor, John Hobby, (3) 113
- Negotiation and use of personal assistance by women with chronic arthritis, The – Lynne Goodacre, John Goodacre, (7) 297

Part of life's tapestry, A: early parenting with a spinal cord injury – Nicola Hunter, Anna Coventry, (10) 479 (Short Report)

Quality of life and traumatic brain injury: a one-year longitudinal qualitative study – Anne Louise Conneeley, (10) 440

Returning to work after a stroke: an important but neglected area – Susan Corr, Sorrel Wilmer, (5) 186

Survey of current occupational therapy practice for Parkinson's disease in the United Kingdom, A – KHO Deane, C Ellis-Hill, K Dekker, P Davies, CE Clarke, (5) 193

Adult Psychosocial

- Case for generic working in mental health occupational therapy, The – Deborah Harrison, (3) 110 (Opinion)
- Chronic pain: gaining understanding through the use of art – Diane Henare, Clare Hocking, Liz Smythe, (11) 511
- Clinical application of the Canadian Model of Occupational Performance in a forensic rehabilitation hostel – Channine Clarke, (4) 171 (Practice Evaluation)
- Cognitive impairment in amyotrophic lateral sclerosis: a consideration for occupational performance – Geraldine Foley, Fiona Neely, (9) 414
- Culture, cultural competency and psychosocial occupational therapy: a Middle Eastern perspective – Terri Awaad, (9) 409
- Delphi survey of best practice occupational therapy for Parkinson's disease in the United Kingdom, A – KHO Deane, C Ellis-Hill, K Dekker, P Davies, CE Clarke, (6) 247
- Development and evaluation of the Mayers' Lifestyle Questionnaire (2), The – Christine A Mayers, (9) 388
- Engaging people with enduring psychotic conditions in primary mental health care and occupational therapy – Sarah Cook, Amanda Howe, (6) 236
- Evidence-based practice in mental health: a cause for concern for occupational therapists? – Hilary Mairs, (4) 168 (Opinion)
- Food Cent\$: educating mothers with a mental illness about nutrition – Hazel Bassett, Chris Lloyd, Robert King, (8) 369
- Generic and specialist interventions for people with severe mental health problems: can interventions be categorised? – Sarah Cook, (1) 17
- Generic and specialist occupational therapy casework in community mental health teams – Priscilla A Harries, Ken Gilhooly, (3) 101
- Impact of adult education for mental health service users, The – Jayne Westwood, (11) 505
- Impact of an allotment group on mental health clients' health, wellbeing and social networking, The – Jon Fieldhouse, (7) 286
- Integrated care pathways in mental health settings: an occupational therapy perspective – Edward A S Duncan, Karen J Moody, (10) 473 (Practice Evaluation)
- Pro-motion: a positive way forward for clients with severe and enduring mental health problems living in the community, Part 2 – Frances Heather, (1) 25
- Quality of life and traumatic brain injury: a one-year longitudinal qualitative study – Anne Louise Conneeley, (10) 440
- Research priorities in forensic occupational therapy – Edward A S Duncan, Karen Munro, Margaret M Nicol, (2) 55
- Time use of people living with schizophrenia in a North London catchment area – Leah Shimitras, Ellie Fossey, Carol Harvey, (2) 46
- With you, not against you: applying motivational interviewing to occupational therapy in anorexia nervosa – Roberta Orchard, (7) 325 (Practice Evaluation)

Elderly

- Active and passive shoulder range of motion in healthy older people – Lynette McIntosh, Kryss McKenna, Louise Gustafsson, (7) 318
- Assessment of stimulus preferences in multisensory environment therapy for older people with dementia – Jason A Staal, Lesley Pinkney, David M Roane, (12) 542
- Determining the effectiveness of a falls prevention programme to enhance quality of life: an occupational therapy perspective – Louise Tolley, Anita Atwal, (6) 269
- Home adaptations: user perspectives on the role of professionals – Clare Picking, Helen Pain, (1) 2
- Older drivers and driving cessation – Jacki Liddle, Kryss McKenna, (3) 125
- Single assessment process, The: an opportunity for collaboration or a threat to the profession of occupational therapy? – Zoë A Cohen, (5) 201
- Struggling for occupational satisfaction: older people in care homes – Anita Atwal, Sharon Owen, Richard Davies, (3) 118
- Survey of current occupational therapy practice for Parkinson's disease in the United Kingdom, A – KHO Deane, C Ellis-Hill, K Dekker, P Davies, CE Clarke, (5) 193

Learning Disability

- Clinical incidence of sensory integration difficulties in adults with learning disabilities and illustration of management – Dido Green, Lindsay Beaton, Denise Moore, Lin Warren, Vanessa Wick, J Ellen Sanford, Paramala Santosh, (10) 454
- Home adaptations: user perspectives on the role of professionals – Clare Picking, Helen Pain, (1) 2

Paediatrics (including Child and Family Psychiatry)

- Disabled Facilities Grants: are they meeting the assessed needs of children in Northern Ireland? – Páraig O'Brien, (6) 277 (Short Report)
- Do mainstream schoolchildren who were born preterm have motor problems? – Lynda Foulder-Hughes, Richard Cooke, (1) 9
- Home adaptations: user perspectives on the role of professionals – Clare Picking, Helen Pain, (1) 2
- Impact of Second Skin lycra splinting on the quality of upper limb movement in children – Kym Corn, Christine Imms, Georgia Timewell, Catherine Carter, Lucy Collins, Stephanie Dubbeld, Sascha Schubiger, Elspeth Froude, (10) 464
- Motor-Free Visual Perception Test – Revised: an overview and critique – G Ted Brown, Sylvia Rodger, Aileen Davis, (4) 159
- Occupational therapy for children with attention deficit hyperactivity disorder: a survey on the level of involvement and training needs of therapists – Sidney Chu, (5) 209
- Perceptions of play and leisure in school aged children with juvenile idiopathic arthritis: what are the implications for occupational therapy? – Janine Hackett, (7) 303
- Wheelchair needs for children and young people: a review – Diane L Cox, (5) 219

2. Equipment and Technology

- Improvement in activities of daily living using the Freehand: a system designed for people with tetraplegia – Julie Esnouf, Paul Taylor, John Hobby, (3) 113
- Is the cost of transporting equipment too high? – Jennifer Woolloff, (1) 31 (Opinion)
- Relative importance of factors affecting the choice of bathing devices, The – Helen Pain, D Lindsay McLellan, (9) 396
- Use of lycra garments in children with cerebral palsy, The: a report of a descriptive clinical trial – Virginia Knox (2) 71

3. Education

- Career choice of first-year occupational therapy students, The: a follow-up study – Christine Craik, Jean-Marie Zaccaria, (11) 531 (Short Report)

- Careers advisers' opinions of the College of Occupational Therapists' careers video – Christine Craik, Suzanne Mitchell, (12) 571 (Short Report)
- Cognitive impairment in amyotrophic lateral sclerosis: a consideration for occupational performance – Geraldine Foley, Fiona Neely, (9) 414
- Delphi survey of best practice occupational therapy for Parkinson's disease in the United Kingdom, A – KHO Deane, C Ellis-Hill, K Dekker, P Davies, CE Clarke, (6) 247
- Doing systematic reviews in an occupational therapy department – Nicola Massy-Westropp, Margot Masters, (9) 427 (Short Report)
- Globalisation and occupational therapy: poles apart? – Lyn Westcott, Steven W Whitcombe, (7) 328 (Opinion)
- Journey of a visually impaired student becoming an occupational therapist, The – Nanthini Sivanesan, (12) 568 (Opinion)
- Legacy of violent attack, The: an exploratory study of occupational therapy students' experiences of violent attack – Alison Whitehead, (3) 94
- Promotion of occupational therapy as a career: a survey of occupational therapy managers – Christine Craik, Francesca Ross, (2) 78 (Short Report)
- Single assessment process, The: an opportunity for collaboration or a threat to the profession of occupational therapy? – Zoë A Cohen, (5) 201
- Survey of current occupational therapy practice for Parkinson's disease in the United Kingdom, A – KHO Deane, C Ellis-Hill, K Dekker, P Davies, CE Clarke, (5) 193
- To PhD or not to PhD: the question is, where do we work? – Sarah Elizabeth Henderson, Donald Maciver (10) 482

4. Professional Development

- Casson Memorial Lecture 2003, The: past conditional, present indicative, future indefinite – Marion F Walker, (8) 338
- Consultant therapists: recognising and developing expertise – Christine Craik, Elizabeth Anne McKay, (6) 281 (Opinion)
- Delphi survey of best practice occupational therapy for Parkinson's disease in the United Kingdom, A – KHO Deane, C Ellis-Hill, K Dekker, P Davies, CE Clarke, (6) 247
- Disabled people, manual handling and human rights – Michael Mandelstam, (11) 528 (Opinion)
- Dressing after a stroke: a survey of current occupational therapy practice – Christina M Walker, Marion F Walker, Alan Sunderland, (6) 263
- Generic and specialist occupational therapy casework in community mental health teams – Priscilla A Harries, Ken Gilhooly, (3) 101
- Globalisation and occupational therapy: poles apart? – Lyn Westcott, Steven W Whitcombe, (7) 328 (Opinion)
- Journey of a visually impaired student becoming an occupational therapist, The – Nanthini Sivanesan, (12) 568 (Opinion)
- Occupational therapy in multicultural contexts: issues and strategies – Michael Chiang, Glenys Carlson, (12) 559
- Occupational therapy research: building capacity – Elizabeth White, (5) 224 (Opinion)
- Single assessment process, The: an opportunity for collaboration or a threat to the profession of occupational therapy? – Zoë A Cohen, (5) 201
- Survey of current occupational therapy practice for Parkinson's disease in the United Kingdom, A – KHO Deane, C Ellis-Hill, K Dekker, P Davies, CE Clarke, (5) 193
- Systematic review of the effects of stress and coping strategies used by occupational therapists working in mental health settings, A – Deborah Edwards, Philip Burnard, (8) 345
- To PhD or not to PhD: the question is, where do we work? – Sarah Elizabeth Henderson, Donald Maciver, (10) 482 (Opinion)

5. Theory and Philosophy

- Best adaptation redeeming people's homes: enlightened occupational therapy – John Winfield, (8) 376 (Opinion)
- Culture, cultural competency and occupational therapy: a review of the literature – Terri Awaad, (8) 356
- Culture, cultural competency and psychosocial occupational

therapy: a Middle Eastern perspective – Terri Awaad, (9) 409
 Development and evaluation of the Mayers' Lifestyle Questionnaire (2), The – Christine A Mayers, (9) 388
 'Named in the lexicon': meanings ascribed to occupation in personal and professional life spaces – Sally Denshire, Colleen Mullavey-O'Byrne, (11) 519
 Single assessment process, The: an opportunity for collaboration or a threat to the profession of occupational therapy? – Zoë A Cohen, (5) 201
 Social cohesion: reflections on European sociopolitical policy concerning professional and disability issues in the European Year of People with Disabilities – Maeve H Groom, (2) 82 (Opinion)
 Wheelchair needs for children and young people: a review – Diane L Cox, (5) 219
 Women's leisure activities, their social stereotypes and some implications for identity – Jackie Taylor, (4) 151

6. Management

Disabled Facilities Grants: are they meeting the assessed needs of children in Northern Ireland? – Páraig O'Brien, (6) 277 (Short Report)
 Disabled people, manual handling and human rights – Michael Mandelstam, (11) 528 (Opinion)
 Globalisation and occupational therapy: poles apart? Lyn Westcott, Steven W Whitcombe, (7) 328
 Legacy of violent attack, The: an exploratory study of occupational therapy students' experiences of violent attack – Alison Whitehead, (3) 94
 Promotion of occupational therapy as a career: a survey of occupational therapy managers – Christine Craik, Francesca Ross, (2) 78 (Short Report)
 Service evaluation and the service user: a pluralistic solution – Niall Salmon, (7) 311
 Single assessment process, The: an opportunity for collaboration or a threat to the profession of occupational therapy? – Zoë A Cohen, (5) 201
 Social cohesion: reflections on European sociopolitical policy concerning professional and disability issues in the European Year of People with Disabilities – Maeve H Groom, (2) 82 (Opinion)

7. Research Methods and Methodology

Casson Memorial Lecture 2003, The: past conditional, present indicative, future indefinite – Marion F Walker, (8) 338
 Chronic pain: gaining understanding through the use of art – Diane Henare, Clare Hocking, Liz Smythe, (11) 511
 Delphi survey of best practice occupational therapy for Parkinson's disease in the United Kingdom, A – Deane, KHO, Ellis-Hill, C, Dekker, K, Davies, P, Clarke CE, (6) 247
 Doing systematic reviews in an occupational therapy department – Nicola Massy-Westropp, Margot Masters, (9) 427 (Short Report)
 Do mainstream schoolchildren who were born preterm have motor problems? – Lynda Foulder-Hughes, Richard Cooke, (1) 9
 Engaging people with enduring psychotic conditions in primary mental health care and occupational therapy – Sarah Cook, Amanda Howe, (6) 236
 Evidence-based practice in mental health: a cause for concern for occupational therapists? – Hilary Mairs, (4) 168
 Exploring the meanings of artistic occupation for women living with chronic illness: a comparison of template and interpretative phenomenological approaches to analysis – Frances Reynolds, (12) 551
 Generic and specialist interventions for people with severe mental health problems: can interventions be categorised? – Sarah Cook, (1) 17
 Grounded theory: exploiting the potential for occupational therapy – Mandy Stanley, Julianne Cheek, (4) 143
 Home adaptations: user perspectives on the role of professionals – Clare Picking, Helen Pain, (1) 2
 Motor-Free Visual Perception Test – Revised: an overview and critique – G Ted Brown, Sylvia Rodger, Aileen Davis, (4) 159

'Named in the lexicon': meanings ascribed to occupation in personal and professional life spaces – Sally Denshire, Colleen Mullavey-O'Byrne, (11) 51
 Narrative methods: talk, listening and representation – Teena Clouston, (4) 136
 Nature of leisure in adolescence, The: a focus group study – Anne Passmore, Davina French, (9) 419
 Occupational therapy research: building capacity – Elizabeth White, (5) 224 (Opinion)
 Profiting from consensus methods in occupational therapy: using a Delphi study to achieve consensus on multiprofessional discharge planning – Anita Atwal, Kay Caldwell, (2) 65
 Relative importance of factors affecting the choice of bathing devices, The – Helen Pain, D Lindsay McLellan, (9) 396
 Service evaluation and the service user: a pluralistic solution – Niall Salmon, (7) 311
 Systematic review of the effects of stress and coping strategies used by occupational therapists working in mental health settings, A – Deborah Edwards, Philip Burnard, (8) 345
